An aerial photograph of a stunning Croatian coastline. The water is a vibrant turquoise near the shore, transitioning to a deep blue further out. A large, dark-hulled yacht with a white upper section is anchored in the turquoise water. The shoreline is covered in dense, green vegetation, with a few small buildings visible near the water's edge. In the background, a small, forested island sits in the water, and distant hills are visible on the horizon under a clear blue sky.
